5. The school makes available, at no additional charge to the student, a tractor trailer training unit and / or instructor for the purpose of taking a driving test for the states of Ohio, Pennsylvania and West Virginia when required for licensure from the student's state of residence. - Students who have not visited the school facilities prior to enrollment will have the opportunity to withdraw without penalty within the first five (5) calendar days following either attendance at a regularly scheduled orientation or following a tour of the school facilities and inspection of the equipment.
- After the first five (5) calendar days of enrollment acceptance and until the time you enter scheduled classes and begin training, the school is entitled to the Registration Fee.
- After entering school and beginning training, and up to and including the completion of 60% of the Program Curriculum, the student will be charged a *PRO-RATED* Tuition amount, plus the Registration Fee.
